OFFICE CLOSED ON SUNDAYS

For many years Jefferson Memorial Park has assisted its lot owners in the placement of a traditional holiday decoration or a live pine winter blanket. Once again this service is available to families who wish to select a decoration from those pictured. Each full, florist-quality decoration is handmade using materials chosen for weather resistance. The fresh evergreen blankets are individually made and are especially advantageous when weather conditions prevent seeding of a grave.

Weather permitting, we will begin placing wreaths the first week of December. We will begin placing winter blankets the following week. In order to guarantee placement by Christmas, all orders for wreaths and blankets must be received before December 14th.

If you wish to keep any items, **please remove them by February 28th, 2017**. Any items not removed by the family will be removed by cemetery personnel and disposed of.

Due to weather conditions, we ask that you do not use your Bronze Vases during the winter months. They may be damaged due to freezing or by burial and snow removal equipment.
